Design Studio

Background Color:

A solid color to be used instead of a tiled image (Click first box to choose color)

Store Colors

It is recommended to edit the store colors on the store front so changes can be seen in real time. Edit colors on homepage now!

Primary Color:

Text Color:

Upload Logo

Current Logo:

BROWSE

Recommended Image Type: .png
Recommended Maximum Dimensions: 300px by 150px
(for best quality image should be no larger than 300px x 150px or it will be resized to that)

Delete

Upload Header Watermark

Active watermark:

The available area in the header of the page may vary. The dimensions of the page will always be 984px wide but the height will change depending on the theme, logo, and other configured settings.

BROWSE **4**
